

**NOW –At Home Broadband Plans
Copper ADSL– Broadband & Phone
OFFER SUMMARY**

Service Overview

Service Description	Broadband & Phone, connecting your home to our Copper ADSL network. With these packages, you will get a phoneline and a phone number as well as your broadband. Capped usage plans include a monthly data limit. These plans include free local calling with the ability to add capped national and international calling bundles.								
Availability	Copper ADSL broadband & phone is available in our copper ADSL coverage areas only. You can check your coverage on our website at www.nownz.co.nz/selectaddress								
Service Charge	<table border="1"><thead><tr><th>Charge</th><th>Monthly data allowance</th></tr></thead><tbody><tr><td>\$75 per month</td><td>50GB</td></tr><tr><td>\$80 per month</td><td>125GB</td></tr><tr><td>\$90 per month</td><td>Unlimited</td></tr></tbody></table> <i>Prices are current as at September 2017 and are subject to change. To see current pricing please see our broadband residential plans at www.nownz.co.nz/plans</i>	Charge	Monthly data allowance	\$75 per month	50GB	\$80 per month	125GB	\$90 per month	Unlimited
Charge	Monthly data allowance								
\$75 per month	50GB								
\$80 per month	125GB								
\$90 per month	Unlimited								
Additional Data Charges	Capped broadband plans by default have our handbrake service, where if you use all of your available data quota, your connection slows to 128kilobits per second until the day your next monthly quota begins. You can choose to have the handbrake service turned off so you continue to receive full speed broadband and you will be charged \$1 for each additional gigabyte used.								
Local Calls	NOW's Local Calling Areas are based on the Number Administration Deed. Please read http://www.nad.org.nz/for-consumers/the-numbering-plan-explained/								
Set Up Charges	There are no set up charges if you are transferring from another provider. If you are requesting a new connection, you can elect for a free standard connection with a 12 month contract or a standard installation fee of \$150.								

Broadband Performance Information

Access Type	Copper ADSL We provide a range of copper ADSL plans. Our standard copper ADSL plan provides up to 24 Megabits download x 1 Megabit upload broadband speeds or as fast as your copper ADSL line allows. To help provide guidance, NOW has carried out the testing of broadband speeds when using our NOW Fibre Plans - click here to see the results http://nownz.co.nz/docs/fibreplanspeeds For more information from the New Zealand Telecommunications Forum about broadband speeds and performance click here http://tcf.org.nz/broadbandperformance

Other Information	
Minimum Contract Period	<p>You can choose from either;</p> <ul style="list-style-type: none"> • No contract term (you can cancel this service at any time); or • 12 month term* <p><i>*Some promotions or deals offered in conjunction with our services may make them subject to a contract term. See www.nownz.co.nz/terms for more information.</i></p>
Early Termination Fee	If you are within a 12-month contract and your service is disconnected prior to the completion of the minimum contract period, you'll be charged an early termination fee of \$199.
Notice period	If you want to cancel your service, you'll need to give us a minimum 30 days' notice.
Other Requirements	<p>You will require an ADSL capable router. You can use your own router, or purchase one from NOW from \$75.</p> <p>At Home broadband plans come standard with a private IP address, for a static public IP address, you must purchase this separately for \$5 per month.</p>
Traffic Management	We may use traffic management policies to make sure that the available bandwidth on our network is shared equally and proficiently between all users. In certain instances, traffic may be prioritised so that general web-browsing, real time applications like Skype, online games and streaming video services perform to optimum standards.
Acceptable Use	Please see our Acceptable Use Policy at www.nownz.co.nz/terms
Effects on other services	Your broadband service requires power to operate. If power is not available (e.g. during a localised power outage) the broadband, and any services which run over it including your landline, may stop working unless you have electricity backup in your home.
Other charges	You will be charged for calls unless they are included within a plan or calling bundle. For a full list of these toll rates please see our website http://www.nownz.co.nz/plans
Disputes	<p>NOW is a member of the Telecommunication Dispute Resolution scheme www.tdr.org.nz.</p> <p>More information about making a complaint can be found on our website at www.nownz.co.nz/complaints</p>

All NOW prices quoted are inclusive of GST.

This is a summary only. The full legal terms and conditions for this plan are available at www.nownz.co.nz/terms
